PARENTS DAY OUT

**Licensed by the Office of Child Care of the
Maryland State Department of Education**

This program is for students who occasionally need to stay for extra hours or on a regular part time basis in addition to their morning preschool. Children in the three or four year old classes may come as early as 7:30 am and stay until 5:30 pm on their school days. Two year olds may arrive at 8:15 am and stay as late as 3 pm.

Parents Day Out is designed to provide a wholesome environment for children whose parents need additional care for them. Stay until 12:20 for more play or bring a lunch and eat with your friends until 1. Nap time for twos and threes lasts from 1 to about 3; fours have quiet time for an hour or so after lunch and then move to more active play. A snack is served around 3. Late afternoon is filled with a variety of activities.

The fees are due daily and may be paid by check or Parents Day Out coupons.

\$7.50 cash for each time period
Save with a book of 10 coupons for \$75.00

All children enrolled in the Preschool are automatically eligible to attend Parents Day Out with no additional registration fee.

The Towson Presbyterian Preschool was created in 1958 to serve the needs of the community by offering quality programs for children 2 through 4 years of age.

As a school accredited by the Maryland State Department of Education we believe that the early childhood experiences are crucial ones for each child. To ensure that children's needs are met, we place emphasis on developmental theory. TPP's curriculum, especially the focus on play and the arts, gives students what they will need in the 21st century. Through free and guided play children are learning not just content, but critical thinking, collaboration, creative innovation, communication and confidence.

It is the policy of the school not to discriminate on the basis of race, color, religious, national or ethnic origin. Our staff is carefully chosen; teachers have bachelor's degrees and are qualified in Early Childhood Education while remaining staff members meet the requirements of the Office of Child Care of the Maryland State Department of Education.

Small class size is an important feature at TPP. We generally have 9 students in our two year old classes, 9 to 12 in our three year old classes and no more than 16 in our four year old classes with each group enjoying a lead teacher and a classroom assistant.

The governing body is the Board of Directors whose responsibility is to determine policies, rates and programs. The Director is responsible for implementing those policies and programs as well as maintaining the educational qualities of the school.
