This program is for students who occasionally need to stay for extra hours or on a regular part time basis in addition to their morning preschool. Children in the three or four-year-old classes may come as early as 7:30 am and stay until 5:30 pm on their school days. Two-year old children may arrive at 8:15 am and stay as late as 3 pm.

The Towson Presbyterian Preschool was created in 1958 to serve the needs of the community by offering quality programs for children 2 through 4 years of age.

As a school licensed and accredited by the Maryland State Department of Education, we believe that the early childhood experiences are crucial ones for each child. To ensure that children's needs are met, we place emphasis on developmental theory. TPP's curriculum, especially the focus on play and the arts, gives students what they will need to become lifelong learners. Through free and guided play children are learning not just content, but critical thinking, collaboration, creative innovation, communication and confidence.

It is the policy of the school not to discriminate on the basis of race, color, religious, national or ethnic origin. Our staff is carefully chosen; teachers have bachelor's degrees and are qualified in Early Childhood Education while remaining staff members meet the requirements of the Office of Child Care of the Maryland State Department of Education.

Small class size is an important feature at TPP. We generally have 9 students in our two-year old classes, 9 to 12 in our three-year old classes and no more than 17 in our four-year old classes. Each classroom group has a lead teacher and a classroom assistant.

The governing body is the Board of Directors whose responsibility is to determine policies, rates and programs. The Director is responsible for implementing those policies and programs as well as maintaining the educational qualities of the school.

For answers to any questions, please call the Director, Lauren Strassner at 410-337-2762 or email her at towsonprespreschool@gmail.com.
